Ref/AWDM/0720/19

Dear Sir.

With Reference to your letter dated 14th June 2019 regarding the amended plan for the above planning application.
We still strongly object to this development our concerns remain the same.
As stated in our previous letters dated 23/11/2015 . 4/8/2016 and 28/5/2019.our property 8.Havenside which backs on to this development has a very small back garden measuring only 5.4 metres from the rear of our property to the boundary wall
Therefore these new dwellings set on three floors one with a kitchen on the first floor will be very Intrusive and greatly effect our privacy and light.
Apart from the shape of the roof there is no change from previous applications AWDM/1302/15 and AWDM/1080/16 which were refused .

This site will be over developed and will dwarf surrounding properties
We cannot stress enough our very real concerns with this proposed development and we trust You will seriously take this into consideration when making your decision on this planning Application.

Yours Faithfully

Mr. & Mrs D C Stammer.
