Dear Planning Team,

We would be very grateful if you would kindly review and accept our proposal to extend our family home in order to allow enough space for our family as they grow up.

We have 5 children, soon to be 6 and although they are currently 1y, 3y, 5y, 7y, and 10y, they are all growing up and getting bigger, and we want to adapt our home to they have enough space to grow, study and develop.

We would really appreciate the ability to be able to do this and give them their personal space. We are very grateful for your consideration.

Many thanks,

The Padgett Family
