SCHEDULE

Reasons for Granting Permission

01. The proposed development, taking into account the reduction in the size of the eastern dormer since the initial submission which would enable it to be constructed under permitted development, would not sufficiently detract from the local environment to warrant refusal and can take place without resulting in unacceptable detriment to the amenities of neighbouring properties. It would consequently not conflict with the saved policies of the Adur District Local Plan (AG1, AH7) or the policies of the National Planning Policy Framework

The external materials and finishes of the development hereby permitted shall, prior to commencement of use of the additional floorspace thereby created, be completed to match in design, colour and texture those of the existing building unless otherwise approved in writing by the Local Planning Authority.

    Reason: *In the interests of visual amenity and to comply with saved policy AH7 of the Adur District Local Plan.*

03. The window in the east side elevation of the extension hereby permitted shall at all times be obscure-glazed and non-opening (except that part which is above 1.7 metres above the floor of the room in which the window is installed) and it shall not subsequently be altered in any way.
