Commenter Type: Member of the Public

Stance: Customer made comments in support of the Planning Application

Reasons for comment: - Other

Comments: A Healthy Living Centre is an excellent resource for the community. Many people do not like to access big Gyms and benefit from one to one consultation. Mark offers a plethora of services that include diet, nutrition, advice and one to one support. It sets a visible example to the community and puts healthy lifestyles in the forefront of peoples mind having a building within the community. I hope this application will be supported by the authority.
