Reasons for comment:	
Comments:	We fully support the new club house and think it will be a huge improvement as the current club house is very over due an update! My daughter has just done her first season of football at Worthing Utd and has absolutely loved it. It will be lovely to have a new clubhouse for the community and for all the teams to be able to use. The current clubhouse facility's really need updating. Girls football is really growing and be lovely to have a new clubhouse to be able support the girls as well as boys.

Kind regards
