28th October 2010

Dear Keith,

Re: John Parker Steel, Fishergate Terminal South, Shoreham Port, West Sussex ADC/0673/07

Further to your letter dated 4th October 2010 and our subsequent telephone conversation and correspondence, as promised we enclose a weathered sample of the roofing material.

As you will see this has now reduced to a matt grey corroded material which does not now have any inherent reflective quality.

We trust you now find this acceptable and look forward to confirmation of the same.

Kind regards,

Yours sincerely,

[redacted]
