Dear Sarah

We have been provided with the following from the company making the sign:

ADUR & WORTHING
PLANNING SERVICES

PLAN	AWDM/ 1259/14
DATE VALID	16 FEB 2015

One is looking South and the other North.

The sign will be fixed by means of a hanging rail fixed to the wall with screws and the sign then fixed to the rail with smaller (probably brass) screws.

If you have any queries, please do not hesitate to contact us.

Many thanks
