Comments:	I wholeheartedly support this application to support this planning application to house this wonderful ever evolving Comedy Club and venue space. Since the launch of this venture, the feedback of its patrons has been paramount, asking and really listening to any ideas or observations made by the visiting audiences. Watching the event grow and improve in this tough commercial world has been heartwarming. If I am in town and able to attend the shows myself, my family and friends are all avid fans and it is a must if I have visitors staying, they are so envious of this wonderful club in our town. A move to a permanent home and multi event use can only be for the good of the town and anyone striving so very hard to an achieve this in my opinion should be

applauded and supported.

Just in case my thought are not clear, I support this planning application. We need more laughter and entertaining this world and our town. ✅

Kind regards
