Dear Sir/Madam,

Thank you for your letter dated 15/08/2024 regarding the proposed development of a detached annexe at 77 Brougham Road, BN11 2PA.

As a resident of Meadow Close whose property backs on to the private service road from Meadow Road, we are absolutely against the application to make this service road/access the priority right of way for access to the annexe at N° 77 Brougham road. We do not wish for the disturbance with noise and pollution this could bring.

When the residents of 77 Brougham Road started building the annexe they let us know it was just a small addition for when their family visited and that they would access this via their own property. We were not made aware they had plans to make it a separate residence or use the quiet service road as the main access.

Yours faithfully

Mr & Mrs Tunstall
