Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Other
Comments:	Lancing Business Park objects to this application on the grounds that the change of use is against what the business park represents. This change of use would be a valuable loss of commercial/employment space and LBP are actively ensuring that the units within the business park stay as industrial/commercial due to the severe lack of commercial units on the business park. This proposed change of use will cause excess traffic entering and exiting the property into the one way system and the gross lack of parking facilities at the property. This was will also cause a back up of traffic as vehicles search for parking spaces on the highway. Lancing Business Park Ltd objects to the application. Chairman Mike Punter
