For the attention of Marie O'Keeffe

Dear Sirs

Re: **"Ivy Cottage", 55 The Green, Southwick, West Sussex, BN42 4FY**

We applied for Planning Permission for works to the above property and permission was granted on 24th March 2020 – AWDM/0086/20.

It was, however, subject to a proviso:-

Prior to commencing on the western boundary wall, a sample of flint work comprising and indicating the colours, texture and pointing style of the mortar is to be constructed on the site and inspected and approved in writing by the local Planning Authority. In addition, a sample of the brick to be used for the east side has to be approved as well.

We have made a further Planning Application - 08715192v1 on 13th May.

We have decided not to use fencing on the new wall to be erected between the forecourt and the back garden but to use back-to-back flint panels with brick surrounds, not only for the wall next to the driveway and for the wall at the bottom of the garden as well.

We attach details of the flint blocks which we hope to use.

When considering our Planning Application, can you please include this information in your deliberations.

Thank you.
