Dear Sir or Madam

I am writting to ~~o~~ay I am not in agreement with Planning for 5 one Bedroom terraced dwelling houses to replace the Church Hall as the acess from Both ends of Wembley Gardens and Wembly Ave to the Back of Annesley Ave Properties as I am having my back garden done next year and its Bad enough trying to get a white Van or anything down the Back of Wembly Ave and Gardens now I will be near impossible if anything else is builded there the Road is terrible

Yours faithfully
