Subject: Re: Amended plans for AWDM/0626/26

To: planning@adur-worthing.gov.uk <planning@adur-worthing.gov.uk>

I am concerned that the proposed development would cause a significant loss of daylight and sunlight to the principal windows serving my kitchen and home office, materially reducing the quality and usability of these rooms. I request that the applicant be required to submit a detailed Daylight and Sunlight Assessment, prepared in accordance with the current BRE BR 209 guidance, comparing existing and proposed light levels for both rooms. The application should not be determined until this impact has been properly assessed.

Regards

Melissa Blake
