Reasons for comment:	- Design - Loss of General Amenity - Overdevelopment - Privacy Light and Noise
Comments:	I am objecting to the above in relation to the anti-social nature of the works carried out on an almost daily basis which if it was only at reasonable times may be acceptable but unfortunately it starts very early in the morning and quite often various tasks are carried out at night and at all hours during the week-ends which is not acceptable. I am sure there must be a more environmentally friendlier use for the land which would not interefere with the residents enjoyment of the River Adur which is why the property was purchased for!!!!!!!!
