These drawings are for approval purposes and must be read in conjunction with all other drawings and documentation. Materials must conform with relevant British or European Standards/Code of Practice. Do not scale from plans, only refer to dimensions shown and dimensions check on site. Materials, Steelwork & Products should ONLY be ordered once dimensions have checked on site. We do not take responsibility for drain surveys. Contactor to satisfy themselves with depths, runs and locations or Drain Survey should be undertaken by Specialist, which we advise clients from an early stage.
IF IN DOUBT ASK.
