INFORMATIVES

Reason for approval

1. The proposed themed play provision and greenhouse within the grounds of this Grade II listed building would not detract from its historic interest or the character or appearance of the Richmond Road Conservation Area. Careful consideration has been given to the concerns raised by the third parties, however, subject to continuing control over the number of children at play in the rear garden (to include children visiting the greenhouse), it is considered the proposed additional themed play provision and greenhouse would not result in a significant worsening of the living conditions of the occupiers of neighbouring residential properties. The proposal does not, therefore, conflict with saved Policies BE1 and H18 of the Worthing Local Plan, or national planning policy guidance contained in PPS5.

This information is only intended as a summary of the reasons for grant of planning permission. For further details on the decision please see the application report which is available from the Planning Reception at Portland House, Richmond Road, Worthing.
