DATE REGISTERED 14th January 2008

APPLICANT : Mr Eric Castle

WORTHING BOROUGH COUNCIL, under the above Act and Order, gives you notice that its decision upon your application described above and in Drawing Nos. CH254/003 Rev. A, CH254/004 Rev. A and CH254/006 deposited on 14th January 2008, which accompanied the application, or as subsequently amended prior to consideration, is to

GRANT PERMISSION subject to the following conditions:-

1. The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

   Reason: To comply with Section 51 of the Planning and Compulsory Purchase Act 2004.

2. The materials and finishes of the external walls and roof of the extension hereby permitted shall match those on the existing building.

   Reason: In the interests of visual amenity.

Dated : 25th February 2008

Assistant Director (Planning Services)

Note: Your attention is drawn to the notes and advice overleaf.

3. Covered and secure cycle parking facilities shall be provided within the curtilage of the site, the precise details of which, including their number and siting, shall be agreed in writing with the Local Planning Authority prior to the commencement of the works. Such agreed facilities shall be provided on site prior to the flats hereby approved being occupied.

   Reason: To encourage and provide for a non car mode of transport to and from the site.

4. Prior to the flats hereby approved being occupied, refuse storage and recycling facilities shall be provided for the flats in accordance with details to be submitted to and approved in writing by the Local Planning Authority.

   Reason: To ensure satisfactory facilities for the storage, recycling and disposal of refuse in the interests of hygiene and visual amenity.

5. Provision shall be made for the flats within the development hereby permitted to share combined aerial and satellite dish facilities.

   Reason: In the interests of visual amenity.

6. No development shall take place unless and until there has been submitted to and approved in writing by the Local Planning Authority a scheme of hard and soft landscaping, which shall include indications of all existing trees and hedgerows on the land, and details of any to be retained, together with measures for their protection during the course of development. All planting, seeding or turfing comprised in the approved details of landscaping shall be carried out in the first planting and seeding seasons following the occupation of the buildings or the completion of the development, whichever is the sooner. Any trees or plants which, within a period of 5 years from the completion of the development, die, are removed or become seriously damaged or diseased, shall be replaced in the next planting season with others of similar size and species, unless the Local Planning Authority gives written consent to any variation. All hard landscaping shall be provided prior to the occupation of the development hereby permitted.

   Reason: In the interests of amenity and of the environment of the development.

7. Prior to the occupation of the first floor flat hereby permitted, the first floor window on the eastern flank elevation of the building shall be obscure glazed and non-opening up to a height of at least 1.75 metres above finished floor level and shall not subsequently be altered in any way without the prior consent of the Local Planning Authority in an application on that behalf.

   Reason: To protect the amenities and privacy of the occupiers of the adjoining property.

8. The development hereby permitted shall not be occupied until the parking provision shown on the approved plans has been provided and constructed. The parking and manoeuvring areas so provided shall thereafter be retained and only used for these purposes unless otherwise agreed by the Local Planning Authority in an application on that behalf.

   Reason: To ensure that adequate parking and manoeuvring facilities are provided and retained to serve the development hereby permitted and in the interests of visual amenity.

9. No development shall be carried out on the site unless and until provision is available within the site, in accordance with details to be submitted to and approved in writing by the Local Planning Authority, to accommodate all temporary contractor's buildings, plant and stacks of materials associated with the development. Such provision as may be agreed shall be retained for these purposes throughout the entire period of construction work on the site.

   Reason: In the interests of highway safety and visual amenity.

10. The development hereby permitted shall not be commenced unless and until details of the sustainable design features of the development and its construction have been submitted to and approved by the Local Planning Authority. Such measures to include energy efficiency in construction and use of building materials; the use of daylight, sunlight and natural air flows to provide heating and ventilation for the building; re-use and recycling of water and rainwater, composting of domestic food and garden waste; use of solar and wind energy and incorporation or utilisation of recycled building materials and excavated material and ecological restoration and enhancement of the site, including provision of bat and bird nesting boxes, as appropriate. The development shall not be built or constructed other than in full accordance with any such approval.

    Reason: To maximise the opportunities for sustainable design in accordance with Worthing Local Plan Policies RES1 and RES2 and West Sussex Structure Plan Policies DEV1 and ERA2 by improving the energy efficiency of the building and reducing demands on natural resources and waste generation and enhancing wildlife habitats in accordance with West Sussex Structure Plan Policy ERA2 and Government guidance in PPS9 : Bio-Diversity and Geological conservation; PPG22 Renewable Energy; and PPS10 Planning for Sustainable Waste Management.
