Dear Mr Barnett

Proposed Alterations and Extension, 24 Cheal Close, Shoreham

Further to our telephone conversation earlier today regarding application ADC/0182/10 and the concerns of the neighbours at the rear of the application site about the height of the proposed fencing I should be grateful if you would remove the fencing element of the application in order that the application for the extension can be approved. My clients will then speak to the neighbours about the height of the fence as a separate matter.

Yours sincerely
