Description of Existing Use, Building Works or Activity

Please fully describe each existing use, building works or activity for which you want the lawful development certificate. Where appropriate, show to which part of the land each use, building works or activity relates

Two terraced villas that were converted into one HMO of twelve units prior to current ownership, which was in 1998, have been continued to be used as an HMO without any break.

The tenants are relatively long term employed individuals including a Carer, Nurse, Carpenter, Garden Landscaper, IT Support etc and do not include short term placements by the local council.

HMO licences were issued by Adur & Worthing District Councils, Private Sector Housing in each of 2018 when such licensing first became necessary; 2023 and a new license is about to be issued following a satisfactory inspection on the 12th June 2025.

It was only as a result of feedback from Private Sector Housing that there was no planning record for use as an HMO that the current Trustees became aware.
