WEST SUSSEX COUNTY COUNCIL CONSULTATION

TO:	Adur & Worthing Councils FAO: Louise Prew
FROM:	WSCC – Highways Authority
DATE:	23 October 2025
LOCATION:	Worthing Hospital Lyndhurst Road Worthing West Sussex BN11 2DH
SUBJECT:	AWDM/0769/25 Installation of thermal stores and transformer, refurbishment of facade and associated works. More information received.
DATE OF SITE VISIT:	n/a
RECOMMENDATION:	No Objection

The applicant has responded to our previous comments on this application.

The area is currently used for salt deliveries and not permanent parking, providing there is still sufficient room for these deliveries to happen off the public highway then the Highway Authority would not raise an objection to the application.

A further comment was made on the extended with of the access. It has been explained by the applicant that a reduction in width would cause a problem for larger vehicles (including the Fire Service) to access the space, especially given the parking on the opposite site of the road.

No Highway Objection.

Debbie Farrell
