Reasons for comment:	- Other
Comments:	I would support this application, and would like to add that permission be given to the owners, to have the whole tree cut down. This is not an indigenous tree to this country, and is more fitted to the Austalian outback than to a small back garden in North Lancing. This tree is dropping its leaves all the year round, leaves that do not seem to disintegrate. Also my back garden is in shade most of the afternoon.
