SCALE (@ A2) 1 : 100	PROJECT NUMBER KD.1867	
DRAWING NUMBER A.100		REV A

© KRONA DESIGN

The image shows a technical drawing of a rectangular object, likely a book cover or a piece of paper. The drawing is oriented vertically. On the left side, there is a dashed line indicating a fold or a hinge. The main body of the object is filled with a dense grid pattern, suggesting a textured surface or a specific material. The right edge of the object is slightly irregular, with a small notch or fold. The overall appearance is that of a detailed architectural or engineering drawing.

The floor plan for the first floor (A.300) shows a rectangular layout. On the left side, there is a bathroom containing a toilet and a bathtub. Adjacent to the bathroom is a staircase. The right side of the plan is dominated by three bedrooms. One bedroom is located at the top right, and two larger bedrooms are positioned side-by-side at the bottom. The plan also includes a central hallway and several windows along the perimeter walls.

The floor plan shows a ground floor layout with the following areas and features:

- SUNROOM:** Located on the left side of the plan. It contains a callout 'ic' and an annotation 'Assumed location of IC TBC' with an arrow pointing to it. A callout 'B' is also present near the top wall.
- KITCHEN:** Located in the upper central part of the plan. It contains a callout 'C' near the bottom wall.
- DINING:** Located in the lower central part of the plan.
- LIVING:** Located on the right side of the plan.

Annotations and Callouts:

- Top center: A.200 (1) with a downward arrow.
- Top left: A.300 (1) with an upward arrow.
- Top right: A.300 (1) with an upward arrow.
- Left side: A.200 (1) with a rightward arrow.
- Bottom center: A.200 (3) with a downward arrow.
