Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Privacy Light and Noise
Comments:	I have had a look at Mr. Clays' revised plan (Jan 26) and I'm not impressed. Should the planned extension go ahead our dining room will be so much darker, particularly in the mornings. Looking out from the dining room window, any sign of a blue sky will be obliterated. Totally. When my wife and I moved into 5 Offington Court in 2006 the rooms were noticeably darker than those at our previous property in Broadwater. One of my first jobs was to replace all the interior doors (except bathroom) with fully glazed units. This helped to brighten things up. The proposed extension will result in a long step back. So, in an effort to settle the problem once and for all and to stop me from continually bothering you. I would like to suggest that you pop in to see us at 5 Offington Court and view our problem at first hand. I am willing to cover the cost of any out of pocket expenses. Please do try and come. Tea, coffee and biscuits will be available and if you are quick, a slice of home made Christmas cake is still on the menu.

Kind regards

S
