Address: 48 Harbour Way, Shoreham-By-Sea, West Sussex BN43 5HG

Comments Details

Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Reasons for comment: - Privacy Light and Noise

Comments: The original plans did not indicate how far out the rear extension would come. The updated plans were added after the consultation date and show that it will extend by 3.5 meters and across the whole property up to our boundary wall. This will have a significant impact on the light both in our garden but also into our property. We have been resident in the property for 25 years and to have the light and view impacted to this extent is against the Common Law Prescription Act 1832. We have the right under this act to uninterrupted light through our window. This impacts directly on our living room. The rear extension is simply too big, extends out too far and is too close to our boundary, impacting on light to our garden and living room.
