Proposed development
Retrospective application for summer house in rear garden

Location of development to which application relates
149 Greenways Crescent Shoreham-by-Sea West Sussex BN43 6HP

Comments

Although we have no objection to the Summer House itself, we object to the fact that it has been put on blocks to raise above our adjoining fence, which in turn does make it a blot on the landscape. Plus when they are on the balcony of the Summer house they can see directly into our garden which invades our privacy.
