Subject: Planning Applicatoin for 111 Old Fort Road. Shoreham-by-Sea BN43 5HB.

For the attention of Peter Barnett.

Your reference AWDM/1406/12

Dear Peter,

Being new residents in Old Fort Road, in close proximity to this proposed development, we object to this application, our reasons being:-

The plot of land is not large enough for two three storey houses.

The density would be too high.

None of the near-by properties are three storeys.

The provision for car parking spaces is not adequate.

The gardens are too small to provide good recreational space.

Yours sincerely,

Mr R G and Mrs P A Parry.

105 Old Fort Road.
