Richmond Road,
Worthing,
BN11 1LF

19 December 2024

Dear Jo,

RE: **AWDM/1573/24 – 123 Tarring Road Worthing West Sussex BN11 4HE**

Thank you for your consultation on the above site. We have reviewed the application as the drainage consultant acting on behalf of the Council and wish to make the following comments.

The applicant is applying for the change of use from Community Hub (Class E) to Tattoo Parlour (Sui Generis). The application is to Worthing Borough Council.

Following a review of the submitted information, we have no objection on surface water grounds. Due to the site, size, location, and type of development **we would recommend the approval of the application** with the following informative attached:

Informative 1: We have identified the site is adjacent to a surface water flood risk, therefore the applicant should consider creating an emergency plan in case of the event of a flood.

Reason
To prevent flooding in accordance with National Planning Policy Framework paragraphs 165-175 by ensuring the satisfactory management of local flood risk, surface water flow paths, storage, and disposal of surface water from the site in a range of rainfall events and ensuring the SuDS proposed operates as designed for the lifetime of the development.

Yours sincerely,

Sustainable Water Management Officer
