Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	- Other
Comments:	The garden building is the width of the whole garden. Would have been necessary to get a planning permission when building it? It is about six years old. Also, I cannot remember if there was any ground works to connect water supply or the drains to the garden building when the tenant built it. Are they going to be done now?

Kind regards
