Reasons for comment:	- Design - Other - Overdevelopment - Trees and Landscaping
Comments:	How can Bellway Homes apply for a 3m fence north of the site adjacent to the railway line embankment, when the public can only erect a 2m high fence around their property? This question was raised at the 11th October 2023 planning committee meeting by myself as the McCarthey Stone has also mentioned the same height and type of fence in the same position and location for their Care Home section of the site and removal of nesting trees. No questioning or answers were given by the committee with regard to this and the Care Home application when raised within objections. If approved then residents in similar positions can then build a fence up to 3m high?

Kind regards
