Dear Mr Cantwell,

RE: Former Mannings Surry Street Shoreham-By-Sea West Sussex

Thank you for your correspondence of the 9th of June 2026, advising me of a planning application for the approval of details Reserved by Condition 8 (Highway and Access Matters (gate)) of approved application AWD/1281/19 at the above location, for which you seek advice from a crime prevention viewpoint.

The National Planning Policy Framework demonstrates the government's aim to achieve healthy, inclusive, and safe places which are safe and accessible, so that crime and disorder, and the fear of crime, do not undermine the quality of life or community cohesion – for example through the use of attractive, well-designed, clear, and legible pedestrian and cycle routes, and high-quality public space, which encourage the active and continual use of public areas.

Although the level of crime and anti-social behaviour in Adur & Worthing district is average as indicated within Police.uk additional measures to mitigate against any identified local crime trends and site-specific requirements should always be considered.

I have had the opportunity to examine the detail within the application and in an attempt to reduce the opportunity for crime and the fear of crime I offer the following comments.

I have reviewed the plans as submitted and have no concerns or comments to make from a crime prevention perspective.

Thank you for giving me an opportunity to offer comments in response.

The Crime & Disorder Act 1998 heightens the importance of taking crime prevention into account when planning decisions are made. Section 17 of the Act places a clear duty on both police and local authorities to exercise their various functions with due regard to the likely effect on the prevention of crime and disorder. You are asked to accord due weight to the advice offered in this letter which would demonstrate your authority's commitment to work in partnership and comply with the spirit of The Crime & Disorder Act.

Yours sincerely
