Reasons for
comment: - Highway Access and Parking

Comments: I cannot see that any assessment for parking has taken place. Since the gymnasium has been created the whole neighbourhood has been turned into a car park, with a high number of complaints to the council. The grassed verges have been ruined and council or gymnasium take responsibility to this. A high number of residents have asked people to park in the car park round the back only to be verbally abused. In short, I reject on the grounds that the carpark cannot support the number of clients and the neighbourhood is not in ruins and unsafe for the surrounding school and nursery.

Kind regards
