Stance: Customer objects to the Planning Application

Reasons for
comment: - Design
- Other

Comments: I wish to object to the design and appearance of the structure. It is not in keeping with the whole area, it is in an area of terraced houses and the appearance is not in keeping with the surrounding homes. It is not the same as the original plans, and therefore should not be approved, it does not enhance the area, and looks very unsightly. The windows in the loft area are very unsightly, and enables the occupier to look directly into surrounding gardens on all sides, there is a loss of privacy to all neighbours.

Kind regards
