

WORTHING SOCIETY CONSULTATION RESPONSES

1.AWDM/0621//26 NATIONAL WESTMINSTER BANK SOUTH STREET WORTHING.- NO OBJECTION

The Society has no objection to this Planning Application . This large building is located in a central part of the South Street Conservation Area. We consider therefore that the redecoration and refurbishment will be an improvement,

2.AWDM/0830/26: NATIONWIDE BUILDING SOCIETY MONTAGEUE STREET WORTHING. NO OBJECTION

This commercial building occupies a corner site at the entrance to the Royal Arcade. and located in the South Street Conservation Area. This is quite a minor alteration and defibrillators are a vital resource for First Aiders in an emergency situation. In our view there will be no harm to the conservation area,

3.AWDM/0839/26; 36 SHAKESPEARE ROAD WORTHING:NO OBJECTION

The extension would be at the rear of the property and the impact on the Conservation Area would be minimal so therefore the Society does not object to the proposal

4. AWDM/0849 & LISTED BUILDING CONSENT 0850/26 FLINT COTTAGE TITNORE LANE; NO OBJECTION

This Planning Application concerns a Grade II Listed Building.. An extension is proposed to quite a large outbuilding currently under construction. The design would be acceptable but would increase the bulk of the outbuilding. Nevertheless this is quite a large site and there would be no harm to the setting of the Listed Building. On balance we offer no objection to the proposal

I hope these comments are helpful.
