Description of Proposed Works

Please describe the proposed works

Demolition and removal of external timber-clad wall with external door within it; flooring and the plastic roof. To be replaced with a new timber frame wall with fibre-cement cladding providing the aesthetic of timber; a new waterproof and insulated floor, and a new flat roof finished in felt with 2 no. rooflights.

Has the work already been started without consent?

- ☐ Yes
☒ No

Month

April

Year

1974

(Date must be pre-application submission)

Please provide a brief description of the building or part of the building you are proposing to demolish

The timber-framed external wall containing an external door on the western side of the building and the plastic roof over this space between what is assumed to be the original cottage and the garage that was added in 1949.
--

Why is it necessary to demolish or extend (as applicable) all or part of the building(s) and or structure(s)?

The external wall and floor require replacing due to their age, condition and poor thermal performance. The plastic roof is undesirable and performs relatively poorly from a thermal perspective.
--

Biodiversity net gain

Paragraph 13 of Schedule 7A of the Town and Country Planning Act 1990 sets out that every planning permission granted for the development of land in England shall be deemed to have been granted subject to the 'biodiversity gain condition' requiring development to achieve a net gain of 10% of biodiversity value.

This is subject to exemptions, an exemption applies in relation to planning permission for a development which is the subject of a householder application, within the meaning of article 2(1) of the Town and Country Planning (Development Management Procedure) (England) Order (2015)*.

Applicants for planning permission are required to make a statement as to whether they believe the biodiversity gain condition will apply if permission is granted, please confirm:

☒ It is my belief that if permission is granted for the development to which this application relates the biodiversity gain condition would not apply

*A 'householder application' means an application for planning permission for development for an existing dwellinghouse, or development within the curtilage of such a dwellinghouse for any purpose incidental to the enjoyment of the dwellinghouse which is not an application for change of use or an application to change the number of dwellings in a building.

You should be able to see the recent Property history on our Public Access website, the address we have is 40 Old Swan Cottage Middle Street.

I attach the History card for older applications.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

(a) a member of staff

(b) an elected member

(c) related to a member of staff

(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

E.g. All the land is owned by a single individual

- ☒ Yes
- ☐ No

Is any of the land to which the application relates part of an Agricultural Holding?

- ☐ Yes
- ☒ No

Certificate Of Ownership - Certificate A

I certify/The applicant certifies that on the day 21 days before the date of this application nobody except myself/the applicant was the owner* of any part of the land or building to which the application relates, and that none of the land to which the application relates is, or is part of, an agricultural holding**

* 'owner' is a person with a freehold interest or leasehold interest with at least 7 years left to run.
** 'agricultural holding' has the meaning given by reference to the definition of 'agricultural tenant' in section 65(8) of the Act.

NOTE: You should sign Certificate B, C or D, as appropriate, if you are the sole owner of the land or building to which the application relates but the land is, or is part of, an agricultural holding.
