comment: - Design

Comments: I am writing in support of this application, particularly the inclusion of a café within the clubhouse.

As a parent of a child who regularly uses the club, I believe this would be a very positive addition. It would provide a much-needed space for parents and families to sit, wait, and socialise while children are training or playing, especially in poor weather.

The café would complement the existing use of the site and help create a stronger sense of community around the club. Overall, this is a sensible improvement that will benefit players, families, and visitors alike.

I fully support the application.
