Dear Sir or Madam

Re: 68 Greentrees Crescent, Sompting.

I am responding to your letter of the 19 November re the above property.

Firstly I found the letter very confusing as I had received the same letter some months back and the plans had been agreed and work completed.

I have spoken to the owners to ask why I have been sent another letter regarding the external work they have applied for and was agreed. He tells me that the fence is too high, I live opposite and it is not a problem for me. I think that the work done is an improvement to the area.

This letter is in support of the owners that the fence should be left as it is.

Regards
Angie
