WORTHING CONSULTATION RESPONSE

AWDM/0213/26 | FLAT 8, FIELD ROW, WORTHING, WEST SUSSEX, BN11 1TD

Application for Listed Building Consent for a gas meter box on the front elevation

Thank you for requesting our comments in respect of the above Planning Application for Listed Building Consent which concerns a Grade II Listed Building within the Chapel Road Conservation Area.

I have now had the opportunity to discuss the proposal with our Heritage Team who consider the external meter box would be obtrusive because of its size and colour. This would cause 'harm' to the 'setting' of the Listed Building and the character of Field Row, which is an important historic element in the Chapel Road Conservation Area. We consider this would not be consistent with the Planning (Listed Buildings and Conservation Areas) Act 1990.

In summary we suggest that the meter should be fitted internally and therefore object to this application for Listed Building Consent.

Yours sincerely
