Hi,

I am not in favour of the above application. I do not trust anyone who wishes to use animals for entertainment. There is also an intent to have alcohol I would be very worried about the wildlife as this will create more rubbish than is there already. If there is glass I cannot see anyone being able to police this. Above all people have fought to keep the Goring Gap as it is a gap between Ferring and Goring . A peaceful place left to nature

Thank you
