Comments

Submission Type:
Customer objects to the Planning Application.

Comments:
East Street is a conservation area and comprises facades of light or pastel colours. Where there is use of darker colours this is confined to small areas such as window frames. The mass of deep blue that 16 to 18 East St. has been painted is totally out of keeping with the East St conservaion area. I would like to add that the owners of this property have a history of flouting local planning and just do as they please until on occasions they are forced into retrospective planning applications. This has to stop. I strongly object to this planning application.
