Comments:
Dear Sir,

Regarding the planning application ref ADC/0182/10 24 Cheal Close, proposed development and fencing. We have no problem with the planned extention to the property, we are against the incresed height of the fence bordering our property. We have had a 6ft fence surrounding our garden for as long as we have lived here 38 years, when renewing this fence we had about 18 inches of beach piled up against it from 24 Cheal Close. We have one original 6ft panel left on this border as we decided to have shrubs.

So taking the original height of their land the new fence should be no more than 6 inches above this panel, a 2 meter fence from the height of their land now will put our garden in shade for half of the year.
If they want the privacy of a 2 meter fence we suggest they put it between their lower and kitchen garden then the shade it creates will not affect our garden.
Regards
Mr & Mrs Hersee
