Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Privacy Light and Noise
Comments:	This extension will overlook the gardens in Ormonde Way which will cause issues from a privacy point of view, particularly if the residents are using the roof terrace. This will also cause loss of light for some properties in Ormonde Way and Beach Green and cause additional noise when the roof terrace is in use which should be seen as unacceptable for existing residents.

Kind regards
