Planning Application Ref: PP-14189040

Supporting statement: Operating plan and Prevention of Noise and Antisocial behaviour.

Pizza Night Plus is a hot food take away and restaurant which will operate an open door policy in line with current operating times allowing walk in customers until 23:00hours after this time the Entrance door will be closed and locked with a sign displayed indicating restaurant closed - Take away Home delivery only.

Take away for delivery will operate until 4am. We are confident that these measures will prevent groups or individuals from loitering at the front of the property therefor reducing the potential for antisocial behaviour and noise disruption.

In line with the suggested operating procedures provided to us by Sussex Police We also have CCTV which covers all external and internal areas, Sussex Police have requested access to this for review at any time which we have agreed. All staff on site are trained in the use of CCTV. This allows us to also add an additional level of security to neighbouring residents and businesses.

Delivery drivers will enter and exit the building quietly and will reduce noise/pollution by observing a no idling rule nor will they rev engines.

We have also been instructed to complete and retain an incident report log which is available for Council officials and Sussex Police to review should they feel necessary.

Serious incidents will be reported to the appropriate authorities as required.

Yours Sincerely,

Amanulla Masakhaill.
