Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design
Comments:	I have a conservatory on the back of my residence. The proposed extension to number 42 is showing a 5m wall to be erected within 1 m of our boundary that will block all the light into the conservatory. The view from the conservatory will therefore become a brick wall. Originally when I spoke with Ms McQuillan the extension was going to be an L shape so the wall would not be running in line with my conservatory window's. I would appreciate it if someone would like to come and see how this is going to affect our outlook.
