REF:- AWDM 0221/12

Dear Sir,

RE:- This second application for a conservatory to the rear of 27 THE GROVELANDS LANCING WEST SUSSEX BN15 8HY.

On siting I estimate the size would be approximately 3.6 METRES X 3 METRES. This would be about half the width of my garden and it would extend the length of the above bungalow to within approximately 4.8 METRES of my garden boundary. Since the above bungalow being built my family has sufferred loss of privacy.

I cannot see really any fundamental difference in this application to the previous application AWDM 0290/11, exception being which exasibates how close this structure would be to my boundary & the greater loss of my families privacy, which would be almost total

Therefore I object to this conservatory being agreed.

Yours faithfully
