Dear Gary

Please find attached – I'm sorry this was missing from the original application. An oversight on my part. I would be grateful if it could be added to the application.

I have now held four productive meetings with Councillors and listened to their thoughts. They have also given me valuable ideas on how we can also use the space for the good of the community and the town.

I have now published a statement on the Goring Gap website giving my personal commitment that, during my lifetime, I will never build, nor seek to build, houses, offices, nursing homes or any other permanent development on Goring Gap. My intention is to preserve it as an open green space that can be enjoyed by the community for generations to come.

Kind regards

Chris Dixon
