Hi Jo

I acknowledge receipt of your email, and in response I confirm I have nothing on record for the conversion. I created the address for Elaine so the planning application could be registered. I initially created as LAND AND FORMER GARAGE NORTH OF 15 SHERBROOKE CLOSE, WORTHING - UPRN: 10097055903. However, in order for Council Tax to report to the VOA for banding they require a postal address so the initial address was made historic and a new LPI created with an address of 16 SHERBROOKE CLOSE, WORTHING BN13 2TW - UPRN: 10097055903. I hope this information helps.

In addition to the above, I have contacted the applicant but as of today's date no reply has yet been received. Should information come to my attention I will let you know.

Please do not hesitate to contact me should you have any further queries.

Kind regards

Una
