Comments:	Dear Joe, we have been contacted by one of our members that you have applied to the council to build a reception area with disabled facilities and shop. As you know we have used your camp site for over 6 years with a lot of happy memories, for the last 4 years we have held rallies there for North Essex Caravan Club. We have a number of elderly members, this would be an added bonus for our ralliers. I would definitely encourage others to use your site again personally and as a club since we've been coming to the Lancing site there is always improvements each year. This added extra would make it more accessible for individuals to visit Lancing and surrounding areas to encourage more tourists and people like ourselves. I'm very happy for you to pass my opinion onto the council in support of your plans. North Essex Steve and Jane Cane.

Kind regards
