PLANNING SERVICES

To,
Adur Council.

In answer to letter dated 6/11/13 about alteration to scrubland at ~~Sussex~~ Tesco. Express. I am extremly pleased something is being done. I have written to head office 4 times & also seen various managers complaining of broken fences, & the amount of rubbish in the Rt. hand corner, causing people around having mice, & rats, but nothing's been done.
The only problem I have

is as my bungalow & garden are directly behind the scrubland and that I shall get the continues petrol fumes & noise of cars up till 11pm. Perhaps the height of the trees will prevent this. Perhaps you will consider this when planning.

Thank You

Yours Sincerely
