Reason: *For the avoidance of doubt and in the interests of proper planning.*

Informatives / Notes to Applicant

01. The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received and subsequently determining to grant planning permission in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.

02. This site is situated on or adjacent to a site which has been identified through Adur and Worthing Councils' Contaminated Land Inspection Strategy as having the potential to be contaminated. If during development, any visibly contaminated or odorous material, (for example asbestos, stained soil, petrol/diesel/solvent odour, underground

tanks/vessels or associated pipework) is found to be present at the site, it is the responsibility of the owner and developer to establish the extent of any potentially harmful material on this site. It is advised that no further development shall be carried out until it has been investigated. It is recommended that the Local Authority's Environmental Health Department is contacted for further advice.
