Comments Details

Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: I use the high street co op but I object to the domineering new structures on the roof, which are ugly, cut the light into the gardens of nearby listed buildings , and which are completely out of character in this conservation area. They are already in breach of the councils planning and building approval.these are our homes and I ask the council to reject this planning application

Kind regards
